SELMA VILLAGE SEWER DISTRICT

COMBINED WATER & SEWER BILLS COMING SOON

SELMA VILLAGE SEWER DISTRICT has partnered with PUBLIC WATER SUPPLY #12 to combine billing and customer service functions. This means Selma Village Sewer District customers will now see monthly sewer usage charges included on their monthly water bills. These new changes will bring more convenience and choice when managing your sewer service needs. Make one payment for both utilities.

WHAT TO EXPECT:

- Our administrations have developed a seamless process to track usage and prepare charges on one monthly bill for both water and sewer services. Make one payment to Public Water Supply #12 for both services.
- Charges for sewer service will be on a separate line item within the monthly water bill including any past due sewer charges.
- PAST DUE SEWER CHARGES MUST BE PAID.
 NON- PAYMENT OF THE TOTAL BALANCE DUE

 WILL RESULT IN WATER SERVICE BEING
 DISCONNECTED. RECONNECTION FEES WILL APPLY.

WHAT'S NEXT:

- Look for your October water bill to include new sewer service charges and any outstanding prior sewer service balance due.
- Beginning with the next billing cycle due by October 15th all payments for sewer service will now be handled by Public Water Supply #12. Payments for water and sewer services should be mailed to:

Public Water Supply #12 12301 Hwy TT Festus, MO 63028

or

Visit www.pwsd12.com for convenient online payment options. Fees apply.

For questions or concerns about our new billing process, call (636) 937-9697.
